December 2009

The holiday season is upon us!

No doubt you are all very busy but do please take a few minutes of down time and have a look at the exciting things we have been doing for you! We have replaced our existing brochure with a (free!) downloadable series of colour sheets. Each of the colour families has its own sheets (e.g. [violets](#)), one in full colour and one a complete list in black and white to save you ink when you print them.

Special holiday offers

Celebrate the holiday season with our special offers! These are real special offers that The Silk Mill only does occasionally and for a very limited period - so make sure you take the time to benefit from one!

All orders of £50 or more excluding postage will receive a completely free additional 5 skeins of silks of your choice. Just add the silks you would like and put in the code ([gift5](#)) at checkout. Simple!

Any order of £85 or more (excluding postage) will receive a completely free additional 10 skeins of silks of your choice. Just add the silks you would like and put in the code ([gift10](#)) at checkout.

Any vintage order of £50 or over will receive a free pewter item of your choice worth up to £10. Just add the item you would like and put in the code ([giftpewter](#)) at checkout. We hope one of these will appeal to you.

The Silk Mill at Ally Pally 8-11 October

The Silk Mill exhibited again at The Knitting and Stitching Show in London, Alexandra Palace on 8th to 11th October 2009. It was great fun and very inspiring to see all the interesting work produced in the last year. We thoroughly enjoyed meeting so many of you there. We will be there again in The Textile Gallery in 2010.

Win a silk set that you have designed!

Pick an interesting range of colours (any 10 or more shades, but no more than 20, that you would like to see in a set) and choose a name that reflects the theme that you want to express with these shades. Then send it to us at silkset@thesilkmill.com by 31st December 2009. If your set is chosen as the winning one, you will receive the set you designed as your prize and it will be featured on the web site.
